### Guaranteed products | Description

The Erste Group Ethik Performance Garant III refers to the Finvex Ethical & Efficient Europe 30 Price Index as underlying, has a fixed term of seven years and will be redeemed on 29/01/2023 (maturity). During the term there is no interest payment and investors do not

<b>Performance 5 years in %</b>	-	receive any other proceeds (e.g. dividend payments). The redemption at maturity depends on the performance of the underlying. Redemption is at least 100.00 % of the nominal amount (minimum redemption amount) and at most 150.00 % of nominal amount (maximum redemption amount). The participation on the positive performance of the underlying is capped at 50.00 %. Above this cap there is no participation on a further positive performance of the underlying.
<b>Performance since inception in %</b>	-	

The redemption amount is determined as follows:

1. If the performance is at or above the cap, redemption is at 150.00 % of the nominal amount (maximum redemption amount);
2. If the performance is below the cap, then the redemption amount is the sum of (i) 100.00 % of nominal amount plus (ii) the participation multiplied by the performance, at least 100.00 % of the nominal amount (minimum redemption amount).

The Finvex Ethical & Efficient Europe 30 Price Index was issued by Finvex Group located in Brussels in cooperation with oekom research AG and contains 30 equally weighted shares. These shares of European companies are selected on the basis of sustainability according to the selection criteria by oekom research AG. The contained shares can be changed anytime. Further information at: <http://www.finvex.com/>

Information on the selection criteria of oekom research AG:
