Annual report: AURUBIS AG

Company Profile

Aurubis AG engages in the production of copper, copper products and precious metals. It operates through the Copper, Copper Products, and Other. The Copper segment refers to the procurement of copper-bearing and precious metal-bearing raw materials to the production of marketable metals and offers copper cathodes that can be traded on the metal exchanges, as well as gold and silver products that originate from the raw materials as well as from the additional precious metal-bearing input materials processed. The Copper Products segment relates to copper production from copper-bearing recycling materials and all sectors involved in the production and marketing of wire rod, continuous cast shapes, strip and profiles, as well as specialty products. The Other segment is responsible to central administrative income and costs that cannot be directly allocated to other segments. The company was founded in 1866 and is headquartered in Hamburg, Germany.
