Advantages

- Investors receive an interesting bonus payment at the end of term even when prices go sideways or are falling, as long as the price of the underlying has not fallen to or below the barrier ("sideways yield").
- The barrier offers partial protection to falling prices ("risk buffer").

Risks you should be aware of

- The return may be capped.
- If the price of the underlying falls to or below the barrier, losses are possible. There is no capital guarantee and a total loss of invested capital is possible..
- Investors bear the risk of the issuer Erste Group Bank AG.
- This bonus certificate is not covered by any deposit guarantee scheme. Investors are exposed to the risk that Erste Group Bank AG may not be able to meet its obligations arising from the bonus certificates in the event of insolvency or over-indebtedness or from an official order (bail-in regime). A total loss of invested capital is possible.

Secondary market

During the term it is possible to sell the product during the trading hours at the exchanges, where the product is listed.

The calculation of the key figures is based on the most recently delivered

price of the underlying (see date/time
stamp in tab underlying)
