Annual report: SWORD GROUP SE 

Company Profile

Sword Group SE engages in the provision of consulting and software services. It operates through the following segments: Solutions and Software. The Solutions segment specializes in information and content engineering systems integration and targeting regulated markets and compliance management. It bases its strategy on technical software components such as document management tools. The Software segment covers software for Governance, Risk & Compliance, document management and major project management. The company was founded by Jacques Francois Mottard on November 17, 2000 and is headquartered in Luxembourg.
