Company Profile

HENSOLDT AG engages in the development, production, and distribution of defense and security sensor solutions. It operates through the Sensors and Optronics business segments. The Sensors segment includes the development and production of solutions in the field of military and security radar, identification-friend-or-foe (IFF), and data links for air, sea, land, and security platforms. The Optronics segment encompasses optronic, optic, and precision-engineered products with applications in the military, civil, and security sectors. The firm's products are used for the protection of defense platforms, critical infrastructure, civil institutions, and wildlife. It also offers services such as product and system support, operator and maintenance training simulation, technology and product training, as well as antenna and cabling services. The company was founded on February 28, 2017 is headquartered in Taufkirchen, Germany.
