## Company Profile

Verisk Analytics, Inc. is a data analytics provider, which engages in the provision of data analytics for customers in insurance, energy markets and financial services. It operates through the following segments: Insurance, Energy & Specialized Markets, and Financial Services. The Insurance segment serves insurance customers and focuses on the prediction of loss, the selection and pricing of risk, and compliance. The Energy & Specialized Markets segment provides data analytics services. It also provides research and consulting services focusing on exploration strategies and screening, asset development and acquisition, commodity markets and corporate analysis. The Financial Services segment maintains bank account consortia to provide competitive benchmarking, decisioning algorithms, business intelligence, and customized analytic services to financial institutions, payment networks and processors, alternative lenders, regulators and merchants. The company was founded in 1971 and is headquartered in Jersey City, NJ.
